

The image is a composite of four photographs showcasing restaurant seating. The top-left photo shows a dining area with a long, tufted green leather booth, wooden tables, and white chairs. A sign above the booth reads 'PLEASE MIND YOUR HEAD'. The top-right photo is a close-up of a tufted brown leather booth. The middle-right photo shows a wider view of a dining room with wooden floors, a tufted booth, and tables set with glassware. The bottom-right photo is a close-up of a tufted green leather booth with colorful buttons in the tufts.

craftwood
banquette seating specialists

Our specialist knowledge & expertise means your project is with the **best in the business**

It's a subject we know in depth so you can feel reassured your project will run smoothly. With minimal down time on your site and all seating made in a quality controlled factory setting. We provide a seamless service and a first class product.
